

## **Musicnotes Named to Internet Retailer Top 1000 List for 14th Year**

[Madison, WI - May 2018] Musicnotes, Inc., the market leader in digital sheet music, has been named to the Internet Retailer Top 1000 list for the 14th straight year after a strong 2017 sales performance with sales exceeding \$25 million. The competitive list ranks the top-performing e-commerce companies within North America.

Musicnotes garners over half of the worldwide digital sheet music market, according to traffic statistics from SimilarWeb.

“We’re excited to again make the Internet Retailer list which reflects the efforts of our talented team at Musicnotes,” said Executive Chairman, Tim Reiland. “Consistently making this list is a testament to our success.”

Musicnotes attributes their success of transforming the way people purchase and play sheet music by fostering strong partnerships with music publishers, creating an ever-expanding catalogue of over 300,000 arrangements, and pioneering new technologies, like their top-rated sheet music apps for desktop and mobile devices.

“This past year has proven highly successful for Musicnotes, and we are even more excited for what lies ahead ,” said Kathy Marsh, CEO of Musicnotes. “2018 is our 20th anniversary, and several new initiatives are underway that are focused on further enhancing the Musicnotes customer experience.”

Musicnotes is ranked alongside many top-rated online influencers of today, including Amazon, Apple, Best Buy, B&H, Wayfair LLC, Walmart.com.
