

COUNTING

8TH, 16TH, & 32ND RHYTHMS

1 & 2 &

1 e & a 2 e & a

32nd notes are typically too fast to count, so there is no set method.
In the rare case you are able to count, try this!

1 di e da & di a da 2 di e da & di a da

All rhythms in one measure:

1 a 2 e da &
